WELCOME...

The upcoming 2024-25 competitive soccer season will be our first as Mt. Diablo Mustang Soccer, more than 44 years after our youth soccer roots were planted in the local region.

The new club brings together the local AYSO regions of PHMSA, Mt. Diablo and Concord in providing the ultimate youth soccer player pathway thanks to our partnership with the esteemed, and nationally recognized, Mustang Soccer club.

We've listened to what players and parents have told us and have created a competitive club that will be underpinned by community spirit and a set of values that all coaches, staff, parents and players will be expected to follow.
